Vision

The vision for LineDriveBetting is to provide both an aggregated betting analytics platform that provides bettors nationwide with moneyline and point spreads from the most popular websites, as well as a reddit-like blog forum to have intellectual conversations about betting lines.

Intended Users

LineDriveBetting aims to target all bettors and sports enthusiasts. By providing a single hub for all necessary betting data of their desired team as well as a discussion forum, there are numerous use cases. Bettors who are looking for opportune bets benefit from the display of information of different betting websites, sports fan's interested in aggregated data of win predictions for their favorite teams, and people looking to argue about why they think a certain team will win all benefit from LineDriveBetting's platform.
